Dear Friend of 4-H,

I am contacting you on behalf of the non-profit professional organization, Texas Association of Extension 4-H Agents (TAE4-HA). TAE4-HA is the professional Extension organization for County Extension Agents, Specialists, and Extension Administrators for the purpose of enhancing professionalism, fostering collaboration and strengthening youth development. TAE4-HA’s goal is to encourage professional development within Texas A&M AgriLife Extension Service, so the youth we serve receive cutting edge training and mentoring.

Every year we hold a State TAE4-HA Conference in a different part of the state and in 2016 the conference will be held in Denison, Texas on August 9th – 12th. This conference gives 4-H professionals the opportunity to collaborate with peers across the state and to learn about new emerging concepts we can use with 4-H youth in our home county. In addition, the conference also serves as a fundraiser for a statewide scholarship to help assist youth in attending college. This event is our biggest professional development training every year which directly impacts how we work with 4-H youth.

Your sponsorship would greatly help offset the cost of conference expenses as well as reduce registration fees for attendees. In return, we will list your organization as a donor in our program as well as our conference promotional material. Other ways to donate include providing items for goodie bags, hospitality, or door prizes (i.e. gift card, food items, tickets, etc.).
