The 2016 TAE4-HA Conference Committee invites you to join us early for a few “bonus” workshops, which are sure to engage your inner child! The pre-conference workshops give participants an in-depth opportunity to experience all 4-H has to offer.

These workshops are not included in the cost of the conference and have limited space. If you want to learn more about sport-fishing, kayaking, cooking, or flying unmanned aerial vehicles, then you are in for a treat!

**Cost $30.00 each**

---

**Kayak Fishing Excursion**

WORKSHOP: 5am to 11 am

Be ready to hit the road early, since this workshop starts at 5 am! Join Larry Hysmith and Derrick Bruton for the ultimate fishing experience as you kayak on one of Grayson County’s beautiful lakes. Attendees are responsible for bringing their own pole, tackle and fishing license. A block of hotel rooms is on reserve for attendees that would like to come in Monday night. Includes a light breakfast and lunch. **Cost: $30**

**Dinner Tonight with Kids**

WORKSHOP: 11 am to 1 p.m.

Take your Food and Nutrition Project to the next level by adding video production and script writing! Kids love to cook and this workshop will demonstrate how youth can be leaders in the community through healthy home cooked meals. Attendees will be entered in an exclusive drawing for Dinner Tonight! recipes and supply materials, so you can start your own youth series in your county. There is a block of rooms available for attendees that would like to come in on Monday night. Includes a light lunch and a lot of snacking! **Cost: $30**

**UAV Experience**

WORKSHOP: 1 p.m.– 4 p.m.

It is a bird...it is a plane...no it is the hottest new 4-H project available! The UAV Experience will take any aeronautical project to the next level. This workshop will put you in the driver’s seat, but also test your accuracy skills. Attendees will gain knowledge on the ethics in flying unmanned aerial vehicles, which has practical applications for both youth and adults. There will be an exclusive drawing for attendees to win project supplies to get your county started! Sorry no food included, so please eat before you attend. **Cost: $30**
